The 70th Week Of Daniel Deception

Understanding the seven years of the 70th week of Daniel is very important, because of the truth and about their fulfillment, and the deceptions which are based on them.

The truth is that the 70th week of Daniel started when Messiah was baptized at age 30, and anointed by the Most High, the Spirit.

This is clear that the Messiah's ministry took place during the first half of the 7 years; so it's not possible that it is yet future.

The truth is that the covenant of Daniel 9:27 is not just a 7-year covenant, as we've been led to believe.

It is the Holy Everlasting Covenant, the same one that Abraham was saved by, as he believed by faith that the Our Father would provide Himself as a Lamb to atone for his sins.

The truth is that Messiah and His Disciples fulfilled the 70th week of Daniel, from 27-34 A.D., when they confirmed with the Jews for 7 years that He is the promised Messiah, who ratified the everlasting covenant with **His blood as the Passover Lamb.**

Messiah confirmed that He was the promised Messiah through His miracles, His wisdom, His knowledge of the Hebrew letters, His fulfillment of prophecy, and by His resurrection.

After Messiah's ascension, the Apostles continued to confirm to the Jews that He is the promised Messiah, by proclaiming how He fulfilled prophecy and how He rose again. through the **Power of His Name**

On Pentecost, 3,000 Jews were saved by the witness of the Apostles being filled with the Most Holy Spirit, and preaching the Gospel in their languages through the **Power of His Name.** The Church of Messiah is built on a foundation of Jews, who accepted Messiah as their Savior.

Paul proclaimed Jew first, and so it was. The seven years ended when the Jewish leaders stoned the Apostle Stephen to death, when he proclaimed that they had killed their promised Messiah. Stephen proclaimed I See Him setting on the Throne of God our Father in Glory if Heaven. This moment of declaration

pinpointed the end of the 70th Week.

Immediately after Stephen's death, the Gospel was also shared with the Gentiles. The disciples were scattered throughout Judea and preached the Gospel. Philip was led to the Ethiopian Eunuch, who was saved. Saul was converted to be the Apostle to Gentiles. Peter was given the vision of the unclean animals, which represented that the everlasting covenant was to be preached to the uncleaned Gentile nations. The Samaritans received salvation and the Spirit of our Father.

Scripture clearly shows us how the 70th week of Daniel was fulfilled, as Messiah and His Apostles confirmed with the Jews that He is their promised Messiah.

Some accepted Him and were saved, but most rejected Him and were condemned. The same as it is this very day

**The deception teaching is that the
70th week of Daniel hasn't been fulfilled yet.**

And with sinister purpose. To place the church as a enemy of the appearing of our King saying that he is the one Antichrist and the true working of mericales are a sign of the deception of Satan.

We've been told over and over that it is about an end-times Antichrist who makes a 7-year peace agreement with Israel, which starts a 7-year tribulation period.

The Jesuits created this deception in the 16th century to deflect blame away from the Popes of Rome, as the Protestant Reformers had rightly identified them as the **Little Horn of Daniel, Son of Perdition** exposed by Thessalonians 2, and Antichrist beast of Revelation 13.

They had Jesuit Priest Francisco Rivera, a brilliant man of darkness with a doctorate in theology, write a 500 page commentary with an opposing view, where he manipulated prophecies in the books of Daniel and Revelation, to create the narrative of a one-man Antichrist in an end-time 7-year tribulation. He as lead of Satan his in god.

This manipulated, called futurism, was quickly adopted and proclamation as truth by law with punishment of death for those who refused to go along with this a Pope leading proclamation as the Roman Catholic Church's official position on the Antichrist.

The true Church effectively rejected these futuristic concepts until the

19th century, when the black robed Jesuits payed off several people to promote these concepts; including Pastor Edward Irving, John Nelson Darby and Cyrus Ingerson Scofield, which led to these deceptions being taught at Dallas Theological Seminary, where the **leaven of the Jesuits deception** have spread around the world. This is spuded out today all over Columbus County by the fallen church Who by there on admissind stand in unity proclaiming that they are not ready to see there King. He will appear to them all to there shame.

The historical witness of the many persecuted believers and theologians of the past have been pushed aside, and futurism is now pridefully taught by most Pastors.

Understand that this explanation of the 70th week of Daniel may be new to many so I want to step back and take a child-like, logical view of the prophecy.

Just Simply ask yourself:

How long does it take the our Heavenly Father to fulfill His own 70 week prophecy?

1. The obvious and correct answer is 70 weeks. If a 70 week prophecy is given and it is not fulfilled in 70 consecutive weeks, then the prophecy is not valid. So said all Scriptures

What week follows the 69th week?

2. The obvious answer is the 70th week, but the enemy would have you believe that there is a 2,000 year time gap between the 69th and 70th week, even though there is no such time gap defined in Daniel 9.

Daniel 9:25 mentions the arrival of the promised Messiah, and then Daniel 9:27 mentions a ‘covenant‘. Whose covenant do you suppose that it is referring to?

3. Isn’t it logical to assume that it is Messiah’s covenant, as the reason that He came was to die to ratify the everlasting covenant with His blood as the Passover Lamb?

The text even proclaims that He was ‘cut off’, meaning that He was killed, in the middle of the seven years, which matches Isaiah’s prophecy about the promised Messiah, in Isaiah 53:8, “He was taken from prison and from judgment. And as for His generation, who considered that He shall be cut off from the land of the living? For the transgression of My

people He was stricken.“

The consequences of the 70 Weeks of Daniel deception are grand!

The enemy's end times deception is based on the concept of a futuristic 70th week of Daniel.

It causes people to look for an end times one-man Antichrist, instead of identifying the **office of the papacy** as the beast of Revelation, the Little Horn of Daniel and the Son of Perdition. Roman Catholic Church.

The office, dignity, or jurisdiction of the pope. He sets upon the system of ecclesiastical government in which the pope is recognized as the supreme head, Lord over all of heaven, lord of all the earth and lord of all under the earth (hell) the one who must be obeyed completely as god over all.

This is the very reason that the end times 7 year tribulation deception was created by the Roman Catholic Church.

They were being accused by the Protestant Reformers of being the Antichrist system who persecuted the saints.

The Protestant Reformers told people to '*come out of her*', which caused millions of people to leave the Roman Catholic Church and be saved by the pure Gospel of Messiah.

The enemy has programmed our minds to view the 70th week of Daniel as futuristic and to fear. He has used Columbus County Pastors, Left Behind movies, books, etc. in teaching to fear

But when you understand that the 70th week of Daniel has been fulfilled, and that it's not an end-times 7-year tribulation period of death and destruction most of the enemy's deceptions about prophecy fulfillment crumble to the ground.
